CLUB RULES AND REGULATIONS

February 1, 2024

The Club Rules and Regulations ("**Club Rules**") for Villa Sport Fitness ("**VSF**") located at 5341 Owens Court, Pleasanton, CA 94588 are listed below. The Club Rules were adopted by VillaSport Fitness PN LLC ("**VSFLLC**"). The primary purpose of the Club Rules is to ensure a premier club experience. All members and guests (and non-members, when applicable) must comply with the Club Rules when using VSF or attending any VSF activity.

VSFLLC may amend the Club Rules from time to time. The current Club Rules are posted on the VSF website. Additional rules and all signs and other notices posted in VSF not referenced in these Club Rules shall be considered additional rules and regulations all members and guests (and non-members, when applicable) must comply with. Members must also comply with the terms of their Membership Agreements. Certain fees, charges and policies referenced in the Club Rules can be found on our website or obtained from Member Services.

1. CLUB USE

1.1. Private Club. VSF is a private club for use by its members and their guests, although limited services are available to non-members. Membership does not convey any ownership in VSF or VSFLLC. Memberships may not be sold or transferred by any member. VSF access may be restricted by VSF management at its discretion.

1.2. Conduct. Proper, respectful conduct is expected at all times in VSF. Profanity will not be tolerated. Parents are responsible for the conduct of their children. VSFLLC may suspend or cancel memberships for inappropriate conduct. Persons are financially responsible for any damage they cause.

1.3. Club Use by Children.

(a) Children under 12 are only permitted in Kids Club.

(b) Ages 12 - 15 may use the exercise equipment and attend group exercise classes upon completion of a standard Your Fit Plan session (see Section 9.3) and while under the direct supervision of an adult.

(c) Ages 16 and older may use the exercise equipment and attend group exercise classes.

(d) Unless specified otherwise, any reference to parents includes legal guardians, any reference to children includes wards, and any reference to adults means persons 18 and older.

1.4. Member Access to Alternative Locations. The Platinum Membership allows access to VSF and all VillaSport Athletic Club and Spa ("**VillaSport**") locations. Single Club members (defined in Section 24.2) who wish to access a VillaSport location other than their "**Home Club**" (the location closest to the member's residence and/or the club expected to be visited most often by all members on the membership) may do so by paying the IHRSA Day Pass fee and presenting their Home Club membership barcode upon check-in. The Day Pass will allow use of the club for the entire day, subject to the applicable Club Rules and program fees. If coming and going in a single day, members must check in each time they enter the club. Members may charge fees and services purchased during their use of the alternative club to their membership accounts. For more information about upgrading to a Platinum Membership, see Section 26.

2. MEMBERSHIP BARCODES

2.1. Check-In. All members must check in at Member Services each time they enter VSF via the VSF app ("**VSF App**"). Membership barcodes will be issued for all members. Every member must

have a membership photo on file. Children under 18 must have their photos updated annually. If a member allows someone else to use his/her barcode, VSFLLC may cancel or suspend his/her membership.

2.2. Club Charges. Members who wish to charge to their membership accounts may be asked to present their membership barcode and photo identification at the time of purchase. Charge-to-account privileges can be changed by contacting the Concierge.

2.3. IHRSA Club Benefits. VSFLLC is a member of IHRSA, the International Health, Racquet and Sportsclub Association. Through the IHRSA Passport Program, members may gain access with their membership number to IHRSA's network of clubs around the world while traveling, subject to fees.

3. CLUB ATTIRE

3.1. Attire.

(a) Attire that is appropriate for a family club (at the discretion of the general manager) must be worn at all times. VSFLLC may deny access to any part of the club for inappropriate attire.

(b) Shirts and shoes must be worn at all times, except in the pool area and locker rooms. If participating in a group exercise class performed barefoot (e.g., yoga, Pilates), shoes must be worn to and from the studio.

(c) Bathing suits are appropriate only in the pool area and locker rooms (and must be worn in the whirlpool). Bathing suits should be conservative and appropriate for a family club.

In the fitness center, be courteous and do not text or read while sitting on the equipment. When using cell phones in permitted areas, callers should keep conversations brief. 8. TOWELS

8.1. General. Member and guest fitness and bath/pool towels are available at Member Services. Please help us keep costs down by depositing your towel in one of the towel drops located throughout the club. You are welcome to bring your own towels. Any towels left unattended for 30 minutes may be removed.

9. FITNESS CENTER

9.1. General. The fitness center is available for ages 12 and older. Ages 12 – 15 must be directly supervised by an adult at all times.

9.2. Etiquette. When using any equipment, people must be considerate of others. All equipment should be wiped off after use with the anti-bacterial wipes provided by VSF. Used towels should be placed in the towel drops provided in the fitness center. All equipment, weights and accessories should be returned to their proper places. Dumbbells, barbells and Olympic bars should not be dropped on the floor. People should allow others to “work in” between sets and limit their use of cardio machines to 30 minutes if others are waiting. Athletic bags, backpacks, purses, and chalk are not permitted in the fitness center. Food, chewing gum and beverages (other than water in closed, non-breakable containers) are not permitted in the fitness center.

9.3. Instruction and Orientation. People using the fitness equipment do so at their own risk and are responsible for obtaining instructions on how to use the equipment before using it. Equipment must only be used in accordance with such instructions. Personal Trainers are available in the fitness center to assist on the proper use of equipment. In addition, VSF offers an equipment orientation as part of Your Fit Plan, a complimentary membership benefit that provides you with one 60-minute session with a certified Personal Trainer and a Your Progress Check session every 30 days. Fitness instruction, equipment orientation and fitness training shall only be conducted by VSF Personal Trainers.

9.4. Personal and Small-Group Training. Personal and small-group training are fee-based programs for members only. Reservations are available via the VSF App or at villasport.com. The small-group training schedule is posted on our website and is accessible on the VSF App. Please read the class description before attending any class. When attending a class, please wear the proper shoes and attire, and come free of perfume/cologne. Floor-marking shoes are not permitted in the studios. For courtesy and safety reasons, please be prompt to class. Please let the instructor know before the start of class if you are pregnant or have any medical risk factors. On the rare occasion you are running late, please enter class quietly, without interruption, and take responsibility for your own warmup.

9.5 Cancellation Policy. We request that members extend a 24-hour cancellation notice for personal training sessions and small-group training classes. If less than 24 hours’ notice is given, the fee for that session or class will be forfeited.

10. GROUP EXERCISE

10.1. Etiquette. Group exercise studios are for scheduled programs only unless otherwise posted. Cell phones should be switched to silent or vibrate mode before entering any studio. To ensure high quality programming, cell phone use is not permitted during class. Emergency texts and calls must be taken outside of the studio. As a courtesy, please refrain from conversations with other participants during class. When using any equipment, people must be considerate of others. All equipment should be wiped off after use with the anti-bacterial wipes provided by VSF. Used towels should be placed in the towel drops provided near the group exercise studios. Equipment should not be moved from studio to studio, and all equipment, weights and accessories should be returned to their proper places. Audio equipment is for scheduled programs and instructor use only. Athletic bags, backpacks and purses are not permitted in the group exercise studios. Food, chewing gum and beverages (other than water in closed, non-breakable containers) are not permitted in the group exercise studios.

10.2. Group Exercise Classes. Group exercise classes are complimentary by reservation only. Reservations are available via the VSF App or at villasport.com. Guests may reserve group exercise classes (as space permits) by contacting VSF in advance. The schedule is posted at VSF and on our website and is accessible on the VSF App. Please arrive at least five minutes before classes start to ensure your spot. Waitlisted members will be allowed in the studio at the start of class (one minute prior to class start in the RIDE studio) when space permits. To ensure an enjoyable experience and for your safety, late entry in RIDE studio classes is not permitted. As a courtesy to all participants, places may not be saved for others. A wide range of classes are offered in terms of fitness level and focus, so please read the class description before attending any class. When attending a class, please wear the proper shoes and attire, and come free of perfume/cologne. Floor-marking shoes are not permitted in the group exercise studios. For courtesy and safety reasons, please be prompt to class. Please let the instructor know before the start of class if you are pregnant or have any medical risk factors.

10.3 No-Show/Late Cancellation Policy. We all have busy schedules and planning benefits everyone. Timely cancellation allows others to take advantage of open spaces and sufficient time to plan. Accurate registration data offers us valuable insight to ensure we offer the right classes at the right times. You may register for a class right up until the start time. If you have registered for a class that you can no longer attend, cancel your reservation immediately and no later than one hour before class start to avoid a no-show/late cancellation fee. A no-show is defined as a member who fails to cancel within one hour of class start or does not attend class. You will not be charged for the first three no-shows/late cancellations. After your third no-show/late cancellation, you will be charged a no-show/late cancellation fee for each missed class. For weather and health-related emergencies, the no-show/late cancellation fee may be waived upon request.

10.4. Cancellation by VSF. From time to time, VSF may need to cancel or reschedule group exercise classes. In such event, VSF will make every effort to provide adequate notice of the change to all participants.

11. COURT

11.1. Etiquette. Ages 12 – 15 must be directly supervised by an adult at all times. When using any equipment, people must be considerate of others. Used towels should be placed in the towel drops. All equipment and accessories should be returned to their proper places. Food, chewing gum and beverages (other than water in closed, non-breakable containers) are not permitted on the court. Floor-marking shoes, open-toed shoes, sandals, Crocs, flip-flops, and cleats are not permitted on the court.

12. KIDS CLUB

12.1. Childcare; General.

(a) Kids Club is available to children ages six weeks through 11 years upon purchase of childcare pack(s). Each child is entitled to Kids Club childcare for two hours (“**Childcare Session**”) each day. During a Childcare Session, the member may not leave VSF. If the member leaves VSF during a Childcare Session, VSFLC may impose a fine and/or cancel or suspend his/her membership.

(b) Childcare Session reservations are required 12 hours in advance for all ages. Reservations are available via the VSF App. To ensure proper care and an excellent member experience, capacities are limited.

(c) Guests and non-members may not use Kids Club.

12.2. Youth Admission Forms. Prior to a child’s first visit to Kids Club and participation in any VSF program, a parent must submit the standard Youth Admission Form. A parent must review and update the Youth Admission Form at least once annually, even if there are no changes.

12.3. Allergies or Other Medical Conditions. If a child has allergies or a non-communicable medical condition, a parent must include the information and any restrictions on the Youth Admission Form before checking the child into Kids Club for the first time. If a change in allergies or medical condition occurs, the Youth Admission Form must be updated immediately. Depending on the condition, Kids Club may require a physician approval. Staff will not administer any medications except in the event of an emergency. Staff will not apply creams or ointments (including diaper rash ointments).

12.4. Check-In and Check-Out Procedures. All children using Kids Club must be checked in and checked out at Member Services by a parent or Authorized Adult. Once checked in, the child may only be checked out by the parent or Authorized Adult who checked in the child and the parent or Authorized Adult cannot leave VSF during the Childcare Session. Except for authorized staff, no one 12 and older is allowed in the Kids Club secured areas.

An “**Authorized Adult**” is an individual 18 or older who has been authorized via the Youth Admission Form by a parent to pick up or drop off a child. Membership barcode or photo identification is required.

12.5. Fee for Late Pick-Up. Children must be picked up on a timely basis. A late charge will be incurred per child for tardiness. In addition, VSF may suspend and/or terminate a member’s privilege to use Kids Club.

12.6. Pagers. Pagers are available and will be provided to parents upon request, but Kids Club may require parents to take a pager. Parents are required to return immediately to Kids Club if paged.

12.7. Conduct. All children are expected to be respectful of others, including other children and staff. It may become necessary to inform parents of disruptive behavior that is above and beyond the acceptable range. In such an event, the parent will be called to pick up their child. If the child’s behavior cannot be corrected within a prescribed time frame, VSF may limit, suspend or terminate the child’s privilege to use Kids Club.

12.8. Drinks and Food. Food, chewing gum and beverages are not permitted in Kids Club. No food is provided during Childcare Sessions, so parents are encouraged to feed their children before checking them into Kids Club.

12.9. Infants and Toddlers. Infants and toddlers who are not potty trained must come with two diapers, wipes and a change of clothes. Parents of infants may provide pre-mixed/pre-made bottled formula or breast milk for the child, with feeding instructions; food is not permitted. All items must be labeled with the child's first and last names and placed in a bag that fits in a diaper bag cubby. Staff will change all diapers, except for a child with diarrhea, who will be deemed to be ill and the parent will be asked to return to Kids Club to pick up his/her child. Staff will also remind children who are potty trained to use the restroom and will check them frequently for "accidents." We do not allow infants to sleep in car seats without a signed waiver. A new waiver must be completed for each day this is requested.

12.10. Illness. For the health of all our children and staff, Kids Club does not accept children who are ill or were ill within the previous 48 hours. If a child is determined to be ill, the parent will be required to pick up his/her child immediately. The child may not return to Kids Club for a minimum of 48 hours unless a doctor's release is provided.

12.11. Crying. Kids Club will do its best to make all children at ease. However, if a child is crying for more than 15 minutes, the parent will be asked to return to Kids Club. At such point, the parent will be offered an opportunity to comfort his/her child for 10 minutes. If the child is unable to transition, the child will need to leave Kids Club for the day but may return the next day.

12.12. Children Requiring Additional Supervision. Kids Club staff have no medical or other specialized training designed to address the specific medical, psychological or social needs of all children and our facility is not staffed to provide one-on-one care for children requiring additional supervision. A certified aide (see Section 28.1) may be permitted to accompany a child after successful completion of a background check and live scan fingerprinting. For the health and well-being of all Kids Club participants, a physician's approval may be required before admitting a child with a certified aide. A child whose needs cannot be accommodated or who poses a risk of harm to himself/herself or another may be excluded from Kids Club.

12.13. Attire for Kids Club. Parents are encouraged to dress their infants in clothing that will allow for easy diaper changes. Toddlers and older children should wear comfortable clothing. Children who do not know how to tie their shoes should wear Velcro sport shoes. Open-toed shoes, sandals, Crocs, flip-flops, and cleats are not permitted in Kids Club. All children should wear socks to avoid blisters and other injuries.

12.14. Personal Items. Children should not bring any significant personal items to Kids Club, including iPods, MP3 players, cell phones, video players, game machines, toys or similar items.

12.15. Incidents, Accidents and Emergency Procedures. In case of an incident or accident, a verbal report will be provided to the parent. If your child sustains any injury that requires medical attention, including injury to head, neck or face, parents will be called to immediately return to Kids Club. In case of an emergency requiring evacuation, staff will follow the Emergency Evacuation and Relocation Plan procedures. In case of a natural disaster, staff will follow the applicable emergency procedures. In the event a child involved in our program contracts a communicable disease, parents and the applicable health department(s) will be notified.

13. POOL AREA

13.1. Pool Attire and Showers. All pool and whirlpool users must wear family-appropriate swimwear (at the discretion of the general manager) and shower before entering the pool or whirlpool.

13.2. Children. The pool area is available for ages 12+ only. There are no lifeguards on duty. Ages 12 - 15 must be directly supervised by an adult at all times.

13.3. Illness. For the health of our members and guests, swimmers should not enter the pool if they are ill or have been ill within the previous 48 hours, or if they have skin lesions, lacerations or wounds.

13.4. Lap Pool. The lap pool is available for individuals who are proficient swimmers and can swim laps. Ages 12 – 15 must be directly supervised by an adult at all times. Please reference the pool schedule for the lap swim hours.

13.5. Lap Swimming Etiquette. Prior to entering a lane with a swimmer, the swimmer must let the person swimming in that lane know that he/she is entering the lane. If only two people are swimming in the lane, swimmers may swim side-by-side. If more than two swimmers desire to use a lane, then the swimmers must swim in a circle using the right side of the lane. When passing another swimmer, the swimmer should use the left side of the lane when clear. Slower swimmers should let faster swimmers pass at the wall. VSF may segregate swimmers by speed by posting signs at each lane.

13.6. Food and Beverages. Chewing gum, food and beverages (other than water in closed, non-breakable containers) are not allowed in the pool area.

13.7. Whirlpool. The whirlpool is available during posted hours. Ages 12 - 15 must be directly supervised by an adult at all times.

13.8. Group Aqua Classes. Classes differ in terms of fitness level and swimming ability, so please read the class description before attending or registering for any particular class. These classes are offered by reservation only via the VSF App or at villasport.com. If you have registered for a class that you can no longer attend, cancel your reservation immediately and no later than one hour before class start to avoid a no-show/late cancellation fee (see Section 10.3 for details). When attending a class, please wear the proper swim attire. Participants should let the instructor know before the start of the class if they are pregnant or if they have any medical risk factors.

14. RECOVERY

14.1. General. Access to Recovery is for VIP Memberships only. Recovery services require reservations via the VSF App. Contact Member Services or visit our website for more information.

14.2 Cancellation Policy. We request that VIP Membership members extend a 24-hour cancellation notice. If less than 24 hours' notice is given, an administrative fee will apply. If an appointment is missed, a full service credit will be forfeited.

15. FOOD AND BEVERAGES
